Helping Our Missionaries Excel
Teaching Everyone About Missions Support

March/April 2022

Dear Churches and Friends,

Family

We were very blessed to be able to take a family vacation in the month of April. We spent a week in Branson, MO with close friends enjoying some pretty amazing sights! This was a wonderful treat for us as this could very well be the last summer that we have all of our children at home at the same time - together.

JR has completed his High School Requirements and will be graduating on Friday, May 20th at 7PM at our home church. He was able to go on a Bible College survey trip in early April with a group from our church. They visited three Bible Colleges. He is still praying about where the Lord would have him attend and we look forward to what the Lord will do through his life. He was blessed last week to have been hired, on the spot, at Hobby Lobby. We praise the Lord for His Goodness & Provision!

Ministry

We had a wonderful time during our home church's missions conference. Our church was faithful and promised enough monthly support to take on four new missionaries. It was a joy to meet these families and catch the burden God has given them for their fields.

We had a part in getting tracts printed for a new church plant and we are working on updating a prayer card for another missionary. We're also looking forward to updating a furlough video with Bro. Tony Davis (see prayer request below).

I was able to install a 50 amp RV plug and a new water hydrant to facilitate hosting missionaries traveling in RVs or trailers. The property God has blessed us with has been a huge blessing to us and now we are able to share it with others. We already have a few "guinea pigs" lined up.

Prayer Requests

Please pray for the recovery of Bro. Tony Davis (Tanzania) and the repair of their truck. A car ran off the road and struck the open doors Bro. Davis was standing in. Praise God the injuries and damages were not catastrophic.

We continue to look for opportunities to visit missionaries on the field to encourage them personally and encourage the people they are reaching. Please pray for God to show us the need

For the Great Commission,

The Bingham Family
