Helping Our Missionaries Excel
Teaching Everyone About Missions Support

December-January 2023

Dear Churches and Friends,

Family

We praise the Lord for a wonderful Christmas season! Samantha made it safely home and we thoroughly enjoyed having our entire family together for several weeks! We enjoyed having Melissa's mother and brother up for Christmas as well, and were able to travel to Texas to spend time with Jeremy's dad and his wife during the first week of January. Living three hours from our families definitely makes us appreciate the times that we are able to spend together! After Christmas, Jeremy and JR began repairs on JR's vehicle and we are pleased to announce that JR now has a full functioning car to learn on! He is logging hours and, Lord willing, will be able to test in April of this year. Please pray for him as he learns. Samantha finished her first semester of Bible College in the beginning of January and we could not be more proud of her! She is currently two weeks into her second semester and will complete her Freshman year in May!

Ministry

Towards the end of last year we got involved in helping a church in an undisclosed area make better use of the rare access to water in their area. People have been coming for water and the church has been using this water source as an opportunity to give the Water of Life to everyone that comes. This project is almost complete, but the original amount raised was not enough to finish. The missionary and those counseling him are wanting them to trust God for the remaining need. Missionaries have so many decisions to make that will have a lasting impact. Praise God for His wisdom to avoid causing a people to trust in man instead of God for all their desires.

The final school supplies have been purchased for VBS Express 2023 and will be packaged and shipped by the end of February. We are thankful to everyone who had a part in collecting or purchasing items and we look forward to what the Lord will do with these items in the various works in the Philippines.

This year we will be involved in at least two separate mission trips. One will be foreign and one domestic. Our church is excited about these trips and ready to see the mission field with their own eyes. We continue to pray that God will grow the mission trip opportunities to the benefit of pastors and church members in the US as well as to the encouragement of those on the front lines of the mission field.

We are praying that God would begin to use us this year in churches around the US to preach and teach on missions. We would do this at no cost to the church for travel or stay. If you know a church where God might use us to be a blessing, please let us know or give our information to the pastor of the church.

Prayer Requests

Please continue to pray for the Brazilian Bible college. Pray for the money to be raised and for God to grant favor in the eyes of the current owners. Please contact me for more information on how your church can have even a small smart in this project.

For the Great Commission,

The Bingham Family
