Helping Our Missionaries Excel  
Teaching Everyone About Missions Support

**February-March 2023**

Dear Churches and Friends,

## **Family**

The year seems to be flying by, again! Samantha will be finishing up her Freshman year of college in just five weeks! JR is continuing to log his hours of driving, and he has a test scheduled for May 11th. Please pray that he would do well and be able to obtain his license on that day. Hannah and AJ are plugging along with school and should be finishing up their curriculum for the year sometime in early May.

At the beginning of March, our family enjoyed having our hearts set on fire during our church's missions conference. We had a wonderful time with the attending missionaries. As He has many times before, God led us to stretch our faith in the area of faith promise giving and we have surrendered and trust that God will not fail. AJ prayed and made his first serious faith promise commitment. He was willing to give up something he wanted to make sure he kept that commitment. Then, while knocking doors, a man drove up and thanked him for what he was doing and handed him exactly what God had laid on his heart to give for the month! Then God gave him the thing he had wanted too! God is so faithful and so good!

## **Ministry**

We've seen multiple prayers answered this month to requests mentioned in our last letter. First, God has provided the initial amount necessary for the Hernandez/Bruner families to purchase property for a Bible College that will produce servants to reach the area where Brazil, Columbia, and Peru all come together at the Amazon River. We are now praying for God to allow them to have the property paid off by the end of the year.

Secondly, immediately after our missions conference, God used us to be an encouragement through preaching in Quinlan Baptist Church's missions emphasis month. They already had a great heart for missions, but God enlarged that and the church saw a great increase in faith promise giving at the end of the month! Then God also led them to begin supporting our ministry on a monthly basis! We praise God for using us to preach and teach on missions and pray that He continues to open these doors.

We also want to praise God for his blessings as Melissa traveled to Texas by herself with a van full of supplies to ship to the Philippines and deliver to Homeless No More Baptist Church. The van performed flawlessly and we are happy to report that the shipment has been loaded in the container, onto the boat, and is currently headed to the Philippines. Please pray there are no issues on arrival or delivery.

## **Prayer Requests**

Please continue to pray for the Brazilian Bible college and for it to be debt free by the end of the year. Please contact me for more information on how your church can have even a small part in this project.

Also, continue to pray that God will continue to use us in churches to encourage them in missions.

For the Great Commission,

The Bingham Family
