Helping Our Missionaries Excel  
Teaching Everyone About Missions Support

**June-August 2023**

Dear Churches and Friends,

## Family

Over the past few months, JR has been struggling with assurance of salvation. God worked in his heart through youth conference and he finally got it settled for good! We praise God for his decision to trust Christ once and for all. He was baptized this past Sunday morning. At the same youth conference JR also surrendered his life to whatever God's will is for him. We praise God for his decision and that God will be leading him as he begins attending Bible college in just a few weeks.

## Ministry

We continue to stay busy and pray that the Lord will enlarge our coast for His glory. Below are a few things God has done over the past few months...

We had shipped 4 boxes of **Portuguese tracts** to missionaries in Brazil back in April. The last of these boxes was finally delivered on July 31st. We praise the Lord for safe arrival to the front lines of the mission field, but this will not be our first choices of shipping options in the future.

We now have multiple avenues we are testing for **shipping**. We are working with a company in Miami that can move pallets of scripture into South American Countries as well as continuing to explore non-profit opportunities through DHL and UPS. Our Amazon experiment needs one more major step to open internationally and we will be moving forward with that soon.

We were blessed to be able to have a small part in the newest church plant in Split, Croatia by providing **baptismal robes for Anchor Baptist Church**.

We are once again collecting school supplies for **VBS Express!** This project has been blessing children in the Philippines with much needed school supplies for over a decade now. We will not know the impact of something as small as a pencil until we get to Heaven. We will be collecting supplies until the end of January.

We are continuing to receive **Books For Burma** on a regular basis! These books are being cataloged and prepped for shipping to Myanmar in late November. The deadline is November 1st, if you have books you would like to donate - please let us know.

We began praying for **more storage** for our property in July and shortly after that, God blessed our ministry with a used (but roadworthy) 10foot box trailer! We cleaned it out, made some minor repairs, and put it to good use storing books for the Books for Burma project! There is plenty of room for school supplies there too with multiple access points to make organization a breeze. God did exceedingly abundantly more than we could ask or think again!

## Prayer Requests

Please, continue to pray that God will use us in churches around the U.S. to encourage them in missions. Please pray for the plans for our mission trip to the Dominican in November.

For the Great Commission,

The Bingham Family
