Helping Our Missionaries Excel  
Teaching Everyone About Missions Support

**September-October 2023**

Dear Churches and Friends,

## Family

The last two months have been full of ups and downs as a family! In September we helped Samantha and JR both get settled at Bible College in Arlington. They were sharing one vehicle, as Samantha's car was needing repairs and was left here in Oklahoma. In late September, they were involved in an accident while on their way home from work. We praise the Lord that all involved were ok! Thankfully, a family member was gracious and allowed them to use her vehicle until Samantha's car could be repaired. Through the help and man power of another family member, Samantha's car was repaired and delivered back to her! If that was not enough car troubles, our own main vehicle was involved in three minor accidents in the last two months and will be sent back to the shop on Monday for a second front-end repair. We are thankful that each event was minor and that the only damage was to the vehicles - but we are certainly ready to be accident free for a while!

## Ministry

In September we shipped a pallet of **Portuguese John/Romans** to Leticia, Columbia and as of right now, they are still stuck in Bogota, Columbia. There have been multiple delays and issues we have had to work through, but it seems we are close to the shipment moving once again.

School supplies for **VBS Express** continue to come in steadily. We are thankful to everyone who has helped thus far and are hopeful that more will help. We will be collecting items through the end of January with the goal of shipping to the Philippines in February.

The deadline for **Books For Burma** has just passed and we are working on getting those books cataloged and prepped for shipment to NY. They will be combined with the other books that have been collected and begin the journey to Burma. We are excited about the impact these books will have on the Burmese people. Thank you to all who have helped!

We are ready for our **mission trip** to the Dominican Republic to visit the Jordan family and their ministries. We are looking forward to being an encouragement to them and excited to see what the Lord will do through us there. We are taking a pastor and a layman with us and we look forward to God doing a work in their hearts as they see this mission field with their own eyes.

## Prayer Requests

- God to use us in churches around the U.S. to encourage them in missions
- Our mission trip to the Dominican (Nov 13-20)
- Portuguese scripture shipment to be delivered and that God will provide for any extra charges that have been accrued during the delays
- Our vehicle issues to be solved soon and for God's provision.

For the Great Commission,

The Bingham Family
