Helping Our Missionaries Excel
Teaching Everyone About Missions Support

January-March 2024

Dear Churches and Friends,

First of all, thank you for being patient with us as this update is notably behind our normal schedule.

Family

We praise the Lord for His Hand of protection on Melissa's brother. While we were visting in February he began to feel ill and was taken to the ER for evaluation. Less than a week later he was having quadruple bypass surgery! We were all shocked but very thankful for God's hand on the entire situation. So many of you prayed for him and we are pleased to report that he is doing very well and recovering nicely! Praise the Lord!

Ministry

In the middle of February we were blessed to travel to some meetings. We had a wonderful Sunday evening service with the people of Ada Baptist Temple and then we headed down to Texas for a missions conference with Central Baptist Alvarado. There was a wonderful spirit during the conference and we were blessed to encourage people that were seeking what God wants them to do for missions beyond financial giving.

Melissa was able to travel to Texas at the end of February to deliver a van full of collected items to Homeless No More Baptist Church. We collect year-round for this ministry and it was a blessing to be able to deliver those items.

The trip to Texas was also used to ship collected supplies to the Philippines for our VBS Express project. The items for those five works are on their way and should arrive in time for each ministry to use during outreach events this summer.

At the beginning of March we had a wonderful missions conference at our home church and the Lord spoke clearly again about what we should give to missions this year. The conference was a great success and we voted to add three new families to our church's monthly financial support list! We look forward to supporting them beyond our finances as well.

Many of you have been praying for the shipment of over 18,000 Portuguese John/Romans that began its' journey over 6 months ago. We have exhausted about every angle to recover and forward this shipment to its' intended destination. At this point we are trying to recoup the funds lost including the shipping costs and the value of the shipment. Please pray that God would send deliverance to this end.

Prayer Requests

- God to use us in churches around the U.S. to preach on missions
- God to allow us to recoup the Portuguese scripture shipment funds

For the Great Commission,

The Bingham Family
