Helping Our Missionaries Excel
Teaching Everyone About Missions Support

August - September 2025

Dear Churches and Friends,

Family

As the Summer came to a close we all settled back in to our new “normal” again. Samantha headed back to Texas to begin her senior year of college, Hannah and AJ began their new school year, and we all have stayed busy serving in various ministries. Our home church had its official Grand Opening for the public on September 21st and we had many first time visitors - several of which have continued to come and express a desire to grow and learn. One of those visitors, a young lady named Cheyanna, walked the aisle and Melissa was able to lead her to the Lord! Our family did experience a great loss in September as Jeremy’s grandmother passed away. Thankfully, we were able to make the quick trip to Vermont with Jeremy’s father and step-mother so that we could be with the family.

Ministry

The opportunity to deliver Scripture to Colombia resurfaced just as we were preparing for our trip to Vermont. The Lord worked out the logistics and Jeremy was able to catch a flight to Bogota shortly after we landed back in TX. It was a short, and somewhat uneventful trip that allowed him to deliver approximately 1,700 Portuguese John/Romans that will be distributed during the Dia de los Muertos in November. We praise the Lord for this delivery going smoothly and for the opportunity to spend a few hours during the ‘scripture drop’ encouraging the missionary there.

Melissa has been serving in various ways. She was able to help out with a Ladies Retreat, and speak at a Ladies Meeting in September. Jeremy has been involved in website work for our ministry and another missionary. We praise God for the invaluable resource Bro. Bob Hoffman (missionary to cyberspace) has been to us.

At the same time we had received permission to create a special tract that we can distribute no matter where we are in the world. Using Bro. Garraway’s “The Gospel Film” youtube channel we were able to set up a QR code and mobile webpage where anyone can select their language and immediately hear an understandable Gospel presentation! We began distributing these tracts on our trip to Vermont and during the scripture drop!

We covet your prayers as we prepare for upcoming travel for meetings in VA, MD, and MS. We are excited for the opportunity to share our burden for missions in these areas. Please pray that we would be a blessing to those churches as well as to all that we meet along the way.

Prayer Requests

- God to bless upcoming meetings and lead us to more meetings
- God to increase in our presence and projects on the mission field
- Please pray for missionaries specifically and by name. Then let them know you did! God only knows what happened in their life and ministry today.

For the Great Commission,

The Bingham Family
