Helping Our Missionaries Excel  
Teaching Everyone About Missions Support

December - January 2026

Dear Churches and Friends,

## **Family**

The Lord blessed us with a wonderful Christmas and New Year! Samantha was able to be home with us for a little over a month! During the week of Christmas we were able to have all of our children and Melissa's mother and brother here. With everyone's varying schedules, time together is becoming more of a precious occurrence and we definitely do not take for granted any of the effort and time that it takes to make that happen. We praise the Lord for the time together, the memories made, and the safe travel to and fro for our family. Jeremy's dad and stepmother joined us for New Year's Eve and Day. We enjoyed our time with them as well! Samantha headed back to finish out her final semester of her Senior year at Trinity Baptist Bible College on January 13<sup>th</sup> and we settled back into the full swing of homeschooling Hannah & AJ once again.

## **Health Update**

As we look forward to the New Year, it is very natural to make goals and plans for the year. We have many things that we would like to see the Lord do through our ministry and family in 2026, but for now we seem to be in a holding pattern. In October 2024 Jeremy began experiencing some pretty odd health issues. With all the major possibilities ruled out, our PCP began to treat him for migraines. These treatments and medications have not helped, so we were sent to a neurologist. It took 4 months to be seen, but we recently met with her and through a very thorough appointment, she believes that she could have a diagnosis (one that makes a lot of sense!). We have several more appointments with various other doctors in mid February before we will know for sure if her suspicions are accurate. If her diagnosis is correct, there is potential for a major surgery this year. We praise the Lord that we could be on a path of healing for him, and we appreciate your prayers for his overall health. We will share more details as we have definitive answers. With that being said, we are unsure of the amount of travel and missions trips that we will be able to participate in this year. As always, we continue to stay in consistent contact with missionaries and are praying for opportunities to help.

## **Ministry**

We are looking forward to mission conference in our home church in March and God has also blessed us with a meeting the very next week. We have been invited to Boulevard Baptist Church in Burleson, TX for their missions conference. We are excited about that meeting and praying for God to use us.

## **Prayer Requests**

- Health answers and healing
- God to give us more meetings
- God to increase our presence and projects on the mission field
- Please pray for missionaries specifically and by name then let them know you did! God knows what happened in their life and ministry today.

For the Great Commission,

The Bingham Family
